

Ambassador History / Fergus Fall Fair

Agriculture represents the focus of Fergus Fall Fair. For over 170 years, the fair has played a major role in the display and promotion of agriculture activities in our community. Since 1979 Fergus Fall Fair has had a Fair Queen or Fair Ambassador to help promote the agricultural activities of our fair community to other communities, both rural and urban.

This years representative will continue to promote our fair through their speaking and leadership activities. The Ambassador will travel to Toronto in February to the annual O.A.A.S. convention and then to the C.N.E. to compete for the title of C.N.E. Ambassador.

The contestants are judged on their knowledge of current affairs, agricultural awareness and their community. Thank you all for the continued support of our fair.
