

Agriculture Awareness Area

Committee: Rebecca Hannam (519-829-0619)

Interested in local food and farming? The Fergus Agricultural Society is pleased to invite you to visit our Agriculture Awareness area located near main entrance to the fair grounds.

This interactive display features two tents full of educational exhibits about grain and livestock farming, along with friendly volunteers to answer all of your agricultural questions.

Here's your chance to test your knowledge in farm trivia, learn about animals on display and participate in fun craft activities. You will also have the opportunity to bring home some new recipes and meet local producers of honey, maple syrup, milk and more.

Be sure to drop by with the whole family to dig in the corn box, watch a sheep shearing demonstration and even milk a cow!

SHEEP SHEARING DEMONSTRATIONS

Sunday, September 18, 2011 – 12:30 p.m.

and every ½ hr. to 4:00 p.m. in the
Agriculture Awareness Tent

Committee: Ian & Janet Harrop (519- 843-5320)

Shearing Demonstration by Richard Bayly
